## Assistant Principal's Message

### School Production News

#### **"Once Upon A Time"**

This week, auditions were held for the school production – congratulations to the sixty plus students who auditioned for just sixteen speaking roles. Bagma and I continue to be amazed at our talented students and their "have a go" attitude.

Of course there were students who were understandably disappointed in not gaining a role but these same students were the first to congratulate their successful peers. Their resilience demonstrated their ability to handle difficult situations with openness and grace.

"Once Upon A Time", is a musical romp where we meet many delightful nursery rhyme characters who are worried that imagination has disappeared from Nursery Town.

At Kingsville participation is voluntary involving students from years 3-6. We rehearse either at lunch time or after school and at this point we have over 150 students keen to be part of the show.

There are many opportunities for involvement in the chorus group and in fact the success of our productions relies on a dynamic chorus. We were delighted this week to see so many 5/6 students who didn't gain leading roles, enthusiastically front up for the chorus work or offer their services backstage or in assisting Trish in making props.

We look forward to seeing you at one of our two performances at Caroline Chisholm College next term on Tuesday 12<sup>th</sup> and Thursday 14<sup>th</sup> November.

## Online Safety

With the ever increasing use of digital technologies and participation in the online world it is critical that we work in partnership with students and parents to do everything we can to ensure our children's wellbeing. It is our collective responsibility to help our children think critically about what they post, read and see online.

We are in the process of planning a parent information session that will focus on:

- What children do online
- The challenges we face as parents
- Building relationships and trust about online activities
- Protecting data and information
- Raising awareness of online activities that should be avoided
- Cyber bullying

In the school setting we continue to provide skills and knowledge to help students make smart decisions when online and engaging in online activities. **It is timely that we remind parents and students that devices should not be brought to school.** The only exceptions to this are mobile phones that may be needed to communicate with parents. Should this be the case, they should be switched off and kept in students' bags.

## PYP Exhibition Information Night

What a privilege it was to be part of the parent information night yesterday. Whilst we would have liked to see more grade 6 parents, those that did attend, I am sure came away feeling more informed and confident about both their role and their children's role in this significant journey.

We were fortunate to hear not only from a very knowledgeable 5/6 team, led by our PYP Co-ordinator Jeff McDonald, but also the perspectives of past students and parents.

So grade 5 parents make sure you put this one in your diary for next year.

Assistant Principal

## Your empty tins please For the Principal

I am after empty tins that have had e.g. fruit, baked beans, soup, tomatoes, corn etc. in them, different sizes are fine. These will be used very creatively at either the Principal's Stall or the Produce and Plants Stall at the fete. So don't throw out, just put in the marked tub outside the office.

Thank you  
Kath Ginnane, Principal

## District Athletics Day

On Friday 16<sup>th</sup> August, eighty-two students went to Newport Park to represent Kingsville Primary School in the Yarraville District Athletics competition. The other schools competing were Wembley, Footscray City and Yarraville West.

Many students recorded excellent results with some registering their personal bests. The highlight of the day was the performance of the Kingsville relay teams. It was obvious that the commitment to training by students at school and home assisted their performances on the day.

Thank you to the various members of staff who assisted at practices.

The final point scores for the day were:

Kingsville	546
Wembley	528
Yarraville West	490
Footscray City	253

It is believed that this is the first time in 30 years that a school other than Wembley have won the District Athletics Sports.

Thirty-nine students have been selected to represent the Yarraville District at the Maribyrnong Divisional Athletics Finals at Keilor Athletics Track on Tuesday 17<sup>th</sup> September. We wish them well!
