Principal's Message

As we know the internet, mobile phones and other digital media provide children and young people with many educational and social benefits. With these benefits however, comes risk.

The ever increasing risk of abuse, exploitation and other forms of harm in both online and off line settings demands a co-ordinated response by government, parents, professionals, business and importantly, the young people themselves.

Building a safe environment for children at home, school and in other settings is ongoing work and a significant challenge for all schools and parents. Technology, the internet and social media advances are moving at a rapid pace with new trends emerging regularly. The latest "in" technology or service is talked about and used by small groups of friends and in no time at all many students may become involved.

In meeting the challenges, **EDUCATION** and **KNOWLEDGE** provide the power and the defence against danger and misuse.

In our school community there is a role for everyone to play - leadership, teachers, school council, students, support staff and of course parents and extended family. We need to all be knowledgeable members of an informed united team.

In addition to our current e-smart strategies and agreements, we are introducing an ongoing program for parents, teachers and students.

The provider of this program will be Tony Richards from "IT Made Simple in Australia". Tony is a highly sought after presenter by school communities. I am pleased to announce that we have been successful in being added into the number of schools across

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3	All payments need to be made prior to 10:00am on the last day of term.
End of Term 4	All payments must be made 2 days prior to the end of term.
Cash Payments	Correct money is requested, as change cannot always be provided.

Victoria that are supported by his knowledge and passion. He has worked across a large range of environments and is a trained teacher as well as a technology advisor, network manager and advisor, media specialist and director of his own IT company.

His goal in working with school communities is to provide knowledge and skills to students, teachers, school leadership and school communities. In term 4 we will be providing the first part of our program being

“A PARENT INFORMATION SESSION”.

In 2014 we will move into a yearly program of parent, student and teacher sessions.

So don't miss out on this important night coming up on November 7th. Please fill in the response form to book your spot.

Road Safety Week at Kingsville

Road safety remains a significant issue for Kingsville families and we continue to raise awareness through special events such as “Walk to school days”, regular safety messages through the school newsletter and classroom programs.

This term the Community Public Relations group will organise a number of events for Kingsville's very own Road Safety Week beginning today. You can support the work of this group by participating in the planned family activities and encouraging your child/children to join in the range of activities outlined in the letter attached.

SunSmart Reminder

Students should now be wearing their hats outside (September to end of April).

Please note change of Teacher planning week from 9th - 13th September to the first week of Term 4 - 7th - 11th October.

Choir news

Concert

The choir will be performing at the concert on both nights. Children will sing with the choir on the night their grade's item is on, and return to their grade once the choir item is over. If children are attending both nights of the concert, they may also sing on the other night if they wish. If that is the case, a reminder that they must have a ticket to sit in the audience but do not need to pay.

Fete

The choir will also be performing at 'Kingsville's Got Talent' at the school fete on Saturday 12th October.

Concert Tickets

All tickets ordered for the concerts have now been given out however there have been some orders with no name or grade marked on them. If you have ordered tickets but have not yet received them please see Nicole Shirreff.

Fundraising News

Federal Election

Don't forget to vote tomorrow - 7th September! Stop and have a sausage and a chat to the volunteers manning the stall.

We've been Grill'd!

Great news! We've been nominated to participate in the Grill'd Local Matters donation program at Grill'd Yarraville this month. Every month, Grill'd donates \$500 to local groups and asks their customers to decide who the money goes to. When customers buy a burger, they will receive a token to put into one of 3 jars representing different groups. Whoever has the most tokens at the end of the month receives \$300. The other two groups receive \$100 each. To do your bit to help our cause, spread the word and head on down to Grill'd Yarraville located at 18 Anderson Street Yarraville VIC 3013. With school holiday's coming up, a visit before the movies at the Sun Theatre would be the perfect opportunity!

Father's Day Breakfast

Big thanks to all the Dads, Grandfathers and other significant men in the lives of the students at KPS who had breakfast last week. It was great to see you all.

Also a huge thanks to Altona Fresh who donated all the bacon, eggs and coffee to us. Say thanks to them by dropping in to their fabulous store in Second Avenue, Altona North. You won't be disappointed; they have a great variety of groceries, deli items, cheese, pasta etc.

The event wouldn't have happened without our team of volunteers. Thanks go to:

Vita Budlender, Liz Reinoga, Jackie Parnell, Jacquie Reilly, Kat O'Sullivan, Kirraly Schumann, Debra McGoldrick, Tanya Merchant, Nicole Ipsen, Kylie Artavilla, Sam Elg, Tanya O'Brien and all the others whose name I didn't catch. Special thanks go to the budding event organisers Scarlett Reinoga, Alyssa Reinoga and Hugh Balmain

If you can help on any future events – even if only for an hour – please contact Liz Reinoga on 0424 158 532 or ereinoga@telstra.com. Any help is appreciated.

CYBERSAFETY SESSION FOR PARENTS

Do you know what your children do online?

Mobile devices and the internet have radically changed the way our children communicate, connect and collaborate. Do you know and understand the issues with these apps and websites? Kingsville Primary School has invited Tony Richards to host a session for parents to answer these questions and more.

This information session will explore the challenges and implications arising from new technologies, particularly in terms of child safety and wellbeing. Parents will be provided with a first-hand look at what their children can access online. If you want to have a **better understanding** of what your children do and want to be better informed then you cannot afford to miss this session.

Areas that will be covered include:

- the internet - challenges for parents
- learn about online communication, downloading, gaming, social networking and web surfing
- facebook privacy and issues
- current trends in apps and websites
- how mobile devices are changing the way your children communicate
- cyber bullying and cyber safety
- practical tips for parents

Topic: Do you know what your kids are up to online?
When: Thursday November 7
Location: Kingsville Primary School Hall
Time: 7pm – 8.30pm

Presented by Tony Richards from www.ITmadeSimple.com - tony@itmadesimple.com
