Principal's Message

The end of Term 3 is highlighted by our much loved yearly school concerts. What a delight it is to see these endearing young, enthusiastic performers up there together on the 'big stage'. So many laughs and moments of sheer joy as they engaged with the audience in many different ways.

From the preps and young performers waving to their parents and getting the absolute most out of their "moment of fame", right through to song, dance, use of student scripts and fabulous story telling.

Primary school concerts provide golden moments and so many great memories. I know parents and staff alike are very proud of our wonderful students.

School concerts are always a team effort with class teachers, specialists, support staff and parents all working together to encourage the children.

Special thanks to:

- our amazing MC's – **Fred Morgan, Daniel Rooney, Harry Arthur, Natae Shirreff and Natae Shirreff** on Wednesday night and **Zennon Doulis, Isabella Gunn, Lexie Kernebone, Frances Ly, Keelan Roberts, Jamal Soubjaki, Rose Mavric and Joan Hodgson** on Thursday night.
- the choir (trained by Hilary Fairlie) and
- our Performing Arts teacher and Concert Manager, Hilary Fairlie. Hilary supported staff with their concert items and greatly assisted new and a number of contract replacement staff to ensure all grade groups were able to participate in the concert.

Well Done KPS students you are very talented.

Road Safety Week at KPS

Wow! It was amazing to see all the work of students on Friday on display; what a lot of hard work and creativity was undertaken on posters and stories to spread the road safety message. The different ways that students used the road safety themes and activities was great and showed some very creative minds.

Special thanks must go to Hilary who organised the week and facilitated its activities, as well as to Jeff who assisted in the design of the week's structure. Thanks must also go to the teachers and staff at the school who supported this road safety initiative and worked with the students on their projects.

One of the aims of the week was to show how we can all contribute to promoting the road safety message in some way. Obviously not every student can walk or ride to and from school or do the drive and walk part way but everyone can help with improving the road safety for the school community by observing all the traffic signs and laws, being careful when using the roads and observing the instructions of our Crossing Supervisors. There are many different ways to be road safe - even letting the local council know about traffic signs that need replacing is a way to help or reminding Grandma or Grandad that its 40kph during school drop off and pick up times is a way to be part of sending a road safe message.

Congratulations to all the students and a big thanks for making Road Safety Week @ KPS a success.

If anyone requires more information on road safety issues, please contact me either through the Front Office or komunikate@live.com.au.
