Principal's Message

Kingsville Camping Program

Today sees the completion of another successful year 3-6 camping program. A total of just under 300 students and 32 staff have participated in camps over the last 3 weeks.

We acknowledge that not all children are able to participate in every school camp however when they do attend there are certainly challenges, great excitement and many rewards.

Whilst no 2015 campers had to actually pitch a tent or sleep under canvas there were still a few queries at cabin check in time. Some exclamations/questions and comments have come back such as –

“there is no television in the cabin”

and

“what – no air conditioning!”

These certainly remind us of what a wonderful opportunity it is for students to move out of their comfort zone for a short period of time. The conditions of course are comfortable but, in no way luxurious and the expectations and the tasks set for students provide invaluable experiences. Working as a team to gain those all important cabin points and keep your area super tidy for cabin inspections is always a highlight. Another positive is usually the food, for some inexplicable reason primary aged children on camp will very often eat what they won't eat at home (no choice of course).

Thank you to all staff involved you ensured students were able to access a great camping experience. Parents we know you will receive home as your reward a large bag of washing but, just remember you have provided and facilitated an experience that will provide memories for years to come and an

World Teachers' Day

October 30th sees an acknowledgement of teachers on a global scale. Inaugurated on October 5th, 1994 by **United Nations Education Scientific and Cultural Organisation** (UNESCO) the day is now marked in over 100 countries.

Today we acknowledge the vital contribution teachers make in an increasingly complex world.

"Education is the most powerful weapon which you can use to change the world"

These words by Nelson Mandela are important ones to reflect upon today. I know that all Kingsville families will join with me in thanking and paying tribute to our dedicated teachers. Every day Kingsville teachers embody Mandela's words in the work they do, the professionalism they show and, the care and support they give to their students.

Student Enrolment 2016

As I have outlined on a number of occasions recently enrolments for 2016 need to be completed. I am still however getting enrolments for Preps 2016 from siblings of current Kingsville students.

Last Call for Preps 2016, the transition program begins next Friday 13th November and grade groups will be formed after that. There is no excuse for any Prep enrolments coming in after that time unless it is from someone new moving into the school area.

Will your child/children be at Kingsville in 2016?

Please inform us if your child/children will not be returning in 2016, this is absolutely vital planning information.,

Major Fundraiser - Hamilton Island Raffle

Thank you to Kingsville families who are sending back sold raffle tickets and money. A further reminder to everyone to get these back as soon as possible as, any unsold tickets can be redistributed. Last day for returned tickets and money is Wednesday 11th November.

The raffle is drawn on Friday 13th November during school assembly.

News from the Art Room

Kingsville is going completely dotty

- the dots are coming
- look out for the dots
- dots are taking over

Deep dot questions

- what do they mean?
- what is the difference between a spot and a dot?
- what happens when dots join together?
- what is a polka dot?

How exciting – see how many you can spot. Have a look at the display wall opposite our world map.

Sport News

On Monday 26th October, 4 young ladies went to Albert Park to compete in the State Athletics event.

Congratulations to the 12 year old girls' 4x100m relay team made up of Bella Stringfellow, Marisa Vallejos, Saskia Junge and Anaya Wenham. They ran their little hearts out and came a commendable 9th place.

Bella also ran in the 1500 m event, and I am very proud to say that she came FIRST in the State! Her time was 5:06.43, only 14 seconds off the state record which was set six years ago.

From the entire Kingsville community, we say congratulations to all the girls!

The leader newspaper also has an article about the girls' soccer team:

Music: Count us In “Big Sing”

Kingsville students join half a million singers.

As has been the case for the past three years, on Thursday 29th of October at precisely 12:30pm, Kingsville participated in the annual 'Big Sing'. Every year, a national contest run by Music Australia finds the best young songwriters in the country. The talented winners of the competition spend a day with professionals from the music industry writing a song to be sent out to schools to encourage singing and music education in the classroom. The result this year was “Gold”, a song about looking towards a bright future. This was also the song we used as a finale at the recent Kingsville concert. With great enthusiasm, Kingsville students joined half a million other students from schools all around Australia to share in the joy of singing.
