

Clean Up Australia Day

Kingsville students took part in Clean Up Australia Day 2015, inspired by “Garbage Guy” who returned to find the Littering Menace had struck once again. We can all be like Garbage Guy because from now on, superheroes wear their underpants on the inside...

“After that our school was cleaner and everyone felt happier that we had a cleaner environment.”

“It made everyone appreciate the work our cleaners do!”

“We think every country should have a “clean up” day.”

- Students of 3/4C
