### Principal’s Message

**Student Leadership**

I have as Principal witnessed, organised and been part of many school ceremonies to commemorate ANZAC Day in school settings. None of these however, have been completely carried out by student leaders as was the case at Kingsville today.

Under the guidance of Jacqui Leslie, teacher 2B a student team consisting of School Captains, Vice Captains and Junior School Councillors, led the school through the 2016 ceremony. This was a great example of student action and student voice and all of the students took up the responsibilities involved successfully.

It was obvious in their presentations just how much work and co-operation had gone into the preparation. Each part of the ceremony was delivered with pride and a true sense of occasion.

From a very proud Principal, congratulations to all of our student leaders involved. A copy of the ceremony schedule is included in this newsletter for you and, all other students so we have a record of our 2016 service.

Well done also to every other Kingsville Primary School student. The listening, participation and attention during the event was wonderful. In addition thank you to our staff who ensured students were well prepared for this important and solemn occasion. To support staff Trish Harris, Carmel Cooper and Nicole Shirreff who put together an ANZAC display in the library well done. To Peter Ritchie, Assistant Principal who provided a range of resources to teachers thank you for this contribution.

A floral tribute, usually a wreath is an important component of ceremonies to commemorate ANZAC Day. Thank you to Sally Green (mum of Hollie 4B)

**School Council President** Bruce Abernethy 0467 788 058  
**School Uniform Primary School Wear** 9363 8458  
**OSHC Camp Australia** 0401 054 261  
**Program Manager** Asi Malu
and a very talented florist who again this year made up and donated a beautiful wreath for the ceremony.

**School Fundraising**

As you will see later in the newsletter there is great deal of action on the ‘fundraising front’. Our fundraising team is working hard ensuring parents have all the information about approved events for 2016. The **Movie Night, Entertainment Books and Mother’s Day stall**, are all current events or actions so please read the information carefully and don’t miss out on the opportunities provided.

The tubs are now in place near the main office for donations for the Mother’s Day raffle. I am confident they will fill up quickly with items from generous Kingsville families.

**Performance opportunity for 5/6 students 2016**

For anyone who was involved in the musical production last year or, was lucky enough to attend one of the shows I am sure you will agree it was an experience never to be forgotten.

I am pleased to announce that in 2016 the opportunity exists again for 5/6 students to perform, participate and entertain us. Greg Milholland 3A and Mori Milholland 6A have generously volunteered to put in the significant time and effort necessary on a voluntary basis to direct and produce **Princess Whatsername**

Auditions have already taken place and over 70 students are currently involved in rehearsals.

In addition to Greg and Mori’s work there are again a significant number of parents who have put their hands up to help out and provide equipment, time, resources and expertise to assist with this endeavour. Thank you in advance to these parents for without their support we would not be able to consider such an undertaking.

**Dates:** August 16th, 17th and 18th  
**Location:** Kingsville Primary School Hall

More information as we progress towards what are already highly anticipated dates in term 3. So for now just mark the dates on your calendar.

A final reminder that there will be a Prep/Foundation Information Night held at the school on Tuesday 26th April at 7p.m. Please note bookings must be made by phoning the main office or emailing kingsville.ps@edumail.vic.gov.au

Update

Since the start of term teachers at Kingsville have been using the new Compass software to mark student attendance. In the past, as part of our student absence management system, notes would be sent home to parents/guardians asking for a reason for any unexplained absences. Our new Compass system enables us to keep more accurate data on student attendance – whole day, half day, short term absences, e.g. dentist appointment and late arrivals. Our first exploration of our absence data has indicated that a significant number of absences have not been explained. For this to be corrected and the accurate data collected we are sending home notes asking for an explanation for any unexplained absence that are currently showing on the Compass system. It is possible with the new system some absences may have been inadvertently recorded as unexplained and that is why you will receive a note asking for a reason. We apologise if this has happened and we would appreciate it if you could still send the note back. The tuning of the system will see this occurring less and less as we get better at the process and procedures of this task.

In the near future we will be sending home parent login codes so that you can access the parent portal and add notes regarding lateness, early departures and absences at your convenience.

Sports News

State Swimming:
Congratulations to Amelie Le Grand who participated in the State Swimming Event last Tuesday at MSAC. Amelie competed in the 11 year old girls’ 50 metre breaststroke. Amelie came second in the state with a time of 37.67. Well done Amelie!!

Cross Country:
Thank you so much to everyone who has helped with the cross country event. It was such a beautiful day for it.

The children were amazing, and it was fantastic to see how many of them crossed the line with such a proud look on their face, particularly those who hadn’t competed before.

Without volunteers, this event could not be run as well as it could be, and I thank all the parents who offered to help on the day. There was a record number of volunteers and it certainly helped the event run smoothly.

We always looking to improve all school events, so if anyone has any particular feedback, especially from the perspective of the job that you were doing, or just overall, could you please send me an email about this. Thank you to those who have already done this.

Congratulations to all participants, who earned points for their house, please see the final results below.

Dear Parent/Guardian

I am delighted to invite you and your children to participate in the twelfth annual Victorian Premiers’ Reading Challenge (the Challenge).

In the Education State developing our young readers is at the heart of ensuring that all Victorian children and young people have the chance to succeed in learning and in life.

For over a decade, the Challenge has helped inspire children to read more widely, more often and to develop a love of reading. The Challenge is not a competition; it’s a personal challenge for children up to Year 10 to read a set number of books over six months.

Since the Challenge began in 2005, over two million students have read an incredible 38 million books.

For children from Prep to Year 2 the Challenge is to read or experience 30 books, and for students in Years 3 to 10 the challenge is to read 15 books. For children from birth to five, the Challenge is for parents and carers to read 40 books with their child/children.

For parents new to the Challenge, you will find it’s a great way to motivate your children to read more and discover exciting new titles from the extensive list of more than 9,000 books. This list is updated regularly by an expert panel. Reading books in other languages is also encouraged and counts towards the Challenge.

Children who complete the Challenge will be rewarded with a certificate of achievement signed by me and former Premiers John Cain, Jeff Kennett, Steve Bracks, John Brumby, Ted Baillieu and Denis Napthine, who all support the Challenge. They will also have the opportunity to see their name on an online honour roll, and view a special video to congratulate participants.

More information about the Challenge can be found on the official website at www.education.vic.gov.au/prc. Here you will find comprehensive information about key dates, frequently asked questions for parents and students, guidelines and the 2016 Challenge booklist which is regularly updated. You can also stay informed, share stories, tips and recommended reads on the Challenge Facebook page at www.Facebook.com.au/VicPRC

Along with former Premiers, the Minister for Education and the Minister for Families and Children, I wish your children the best of luck for the 2016 Premiers’ Reading Challenge.

Yours sincerely

Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.
