Acting Principal's Message

Student Enrolments 2017

As we move well into second semester we are already planning for the 2017 school year. Being able to predict enrolments with some degree of accuracy even at this point in the year, is very important. Current Kingsville families can help out with this in different ways

Prep enrolments 2017

If you know someone who is intending to put in an enrolment application for 2017, please remind them to do so as soon as possible

We have begun enrolling Prep/Foundation students for 2017. A specific reminder to all Kingsville families if you have a younger child to begin Preps 2017 and you have not yet enrolled them please take action regarding this now.

It is not enough to assume that a sibling can just be enrolled at any late stage of the year, we need to have siblings enrolled by the end of August. This allows us to begin planning for the following year and provide predictions of enrolment to the government as required.

Students leaving KPS

If as a current Kingsville family you are leaving the school during Semester 2 2016 or, from the beginning of 2017, please let the school know now, or as soon as arrangements are finalised.

Throughout Terms 3 and 4 reminder slips will be placed in the newsletter with the title

Will your child/children be at Kingsville in 2017?

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3 All payments need to be made prior to 10:00am on the last day of term.
End of Term 4 All payments must be made 2 days prior to the end of term.
Cash Payments Correct money is requested, as change cannot always be provided.

please use this slip to return information as appropriate to the office.

School Uniform

Currently there are issues relating to school uniform and adherence to the School Dress Code that need attention.

Dress Code Compliance

School uniform is compulsory as set out in the School Dress Code. There are a number of clothing choices for students, both girls and boys all available through our uniform supplier PSW. www.psw.com.au.

Winter Problem

Cold weather brings its own uniform challenges. Coats should be off during class time along with scarves and beanies. The list of uniform items listed in the Dress Code stipulates a navy raincoat. This is stocked by our uniform supplier PSW.

A common problem

All shorts and tracksuit pants must be navy blue. At times black items creep in. Parents please be aware this is not acceptable. The Dress Code does require children to wear the uniform every day unless there is a casual clothes day, or they are away on school camps.

Grade 6 students are expected to remain in uniform all year like all other students. Whilst parents don't need to spend a great deal on new items in their last year, it is important that they as final year students adhere to the rules. There are some pre loved items available at the sales if needed to get them through the year. They will also of course have their year 6 'Signature Top' to wear.

Lost Uniform Items

This is a significant ongoing issue. The volume of lost property uniform items is astounding and on any day the lost property baskets are overflowing. To make matters worse many items are unnamed or named in such a way that recognition of a name is often impossible i.e. just in text on a clothing label. Most of these items, many of them almost new or in very good condition, end up in second hand sales because we don't know who owns them. If items are clearly named then we are able to reunite your child with their clothing.

Uniform Crackdown

During term 3 teachers and leadership will be sending home reminders regarding uniform as necessary. There is a set course of action outlined in the Dress Code with regard to what steps are taken if students are not dressed in accordance with the Code.

Action required

- parents and students making sure they (the students) are in school uniform every day
- parents to re read the Code and share the information with your children (P-2)
- have children read the Code (3-6)
- parents to assist the school with this compliance area

Please assist

It can become a tedious and time consuming exercise for staff to be following up on Dress Code issues. If parents join us in this campaign now and follow up on a daily basis it will be much more effective.

Other

The Dress Code is on the school website and if required a copy may be obtained from the main office.

Health And Safety Issues

For healthy and safety reasons, the following criteria must be adhered to by all students:

- Jewellery (excluding small earrings or studs and watches) is dangerous and not permitted. Religious or cultural significant jewellery must be worn inside clothing at all times.
- Fingernails must be short and clean.
- Shoulder length hair and longer must be tied back.
- Students should be dressed appropriately for weather conditions and the activities they are involved in.

Musical Production

Princess Whatsername

The school production is just one of the many wonderful ways we showcase the diverse talents, passions and commitment of both the students and teachers at Kingsville Primary School. This year's production opens on Tuesday night and the following two shows are all going to be packed with family and friends. To the cast we hope you "break a leg" and to the crew, directors and all those parents and teachers who have supported the production we say thank you.

Well done everyone involved with this undertaking and we all look forward to the show.

The Exhibition is a requirement of all authorized PYP schools. It is a culminating experience of the student's engagement with the Primary Years Programme (PYP) and represents a significant event in the life of a PYP student. The Exhibition is an extended collaborative investigation, making sense of the essential elements of the PYP and sharing them with the whole school community.

I would encourage all parents of children in our school to take the opportunity to visit our Exhibition and talk with our fantastic grade 6 students. The Exhibition will be held in the grade 5/6 building and the hall and will be on:

Tuesday October 18th: 2.30p.m. to 4.00p.m.

Wednesday October 19th:

- session 1: 12.00p.m. to 1.30p.m.
- session 2: 6.00p.m. to 7.30p.m.

Thursday October 20th: 9.00a.m. to 10.30a.m.

PYP Exhibition Parent Information Night

We had a wonderful turn out by the parents of our grade 6 students to our 'Exhibition Information Night' last Tuesday. This evening provided an understanding of this important event in the life of the Kingsville child. The evening unpacked the journey the teachers take the students on as they move from the big idea of 'Who we are' to, presenting an engaging personal inquiry and resulting 'action'. I am confident the parents of our grade 6 students came away feeling more informed and confident about both their role and, their children's role in this significant journey.

Princess Whatsername

Dear Kingsville Community,

We are thrilled to have so much excitement around the production and such a high demand for tickets. Given our numbers from last year we were surprised to have all three performances sell out in under 8 hours! Thank you for your continued support and your patience as we worked through the process of adjusting the seating to accommodate this unexpected demand. Putting on a production can be quite a substantial task, and it's appreciated when everyone helps us sort through any unanticipated changes (like a record sell-out crowd).

Thank you to all the families who sent in emails letting Nicole know the remaining demand for tickets. This allowed us to plan for the number of seats needed for each night. Please note, we cannot book tickets based on those emails, but we have arranged for additional seating to accommodate your emailed requests.

There are an additional 74 tickets available for each performance. We pre-released tickets to the families of students in the production who hadn't been able to purchase tickets on Wednesday August 11th.

On Friday, August 13th at 6pm, all unsold tickets will be released to public.

These additional seats can be reserved through <https://www.trybooking.com/Booking/BookingEventSummary.aspx?eid=216316>

Please note there are no additional floor seats available for children and all seating will be reserved seating at a cost of \$12.

If you are unable to purchase tickets, please email shirreff.nicole.n@edumail.vic.gov.au with the preferred date and amount of tickets required and we will place you on a waiting list.

Make sure to book promptly when the tickets open, as the demand is extremely high.

Again, we thank you for your generous support and patience.

Kind regards,
Your directors Greg and Mori

Kingsville Fete News

Fete Badge

The fete badges have been a huge hit with classes having to restock to keep up with the demand. A badge costs \$2 each and by purchasing one you will go into a draw with the chance to win a bike. Two bikes are being raffled. Parent and Guardians don't forget to purchase your badge and wear it to work. Badges can be purchased at the front office or via your child.

Kingsville Fete Stall Signup

Our 2016 School Fete is just nine weeks away. This exciting event is taking shape with rides, entertainment and stalls being finalised. The class stalls are many and varied this year, so a big thank you to all of the Class Representatives for assigning a stall for every classroom. To ensure these stalls operate smoothly throughout the day we need class parent support. We would ask parents to volunteer a time throughout the day of the fete where you can support your classroom stall.

A volunteer signup page has been created for each grade level. If you follow the links below to your grade you will find the different class stalls and the hour time slots that you can sign up to. Each stall will require between 2 and 3 parents manning the station each hour.

In the spirit of the Olympics we are making this task a bit of a 'competition' between the parents of the classes. This will be a race to see which class can have their signup page completed first. On offer will be gold, silver and bronze medals. To add a little pressure we also have a trophy up for grabs for the class whose parents win gold!

We look forward to seeing the continued support from all families to ensure a successful and enjoyable fete for the students and community of Kingsville.

JSC Student Voice News

On the 29th July the Student Voice group held an event to raise money for our World Vision sponsored child Abdletif. The sporting theme dress day raised \$624.00.

We would like to thank everyone for their support and great generosity. Many children gave much more than a gold coin donation keeping the spirit of giving for the greater good well alive.

We thank everyone again in our wonderful Kingsville community for making this event a huge success. It was so great to see so many students and teachers wear their sport colours on the day.

Premier's Reading Challenge

Well done to all students that have taken part in the Premier's Reading Challenge. Time is running out to meet the challenge - there are now only 3 weeks left. The challenge closes on the 9th September. If you wish your child to be acknowledged for their hard work, please ensure that all books are logged into the site NO LATER than the 8th September. If you wish your child's name to appear in the Age, a consent forms must be signed and returned to the classroom teacher by this date also.

We would love to see many more of our students complete the challenge. Any problems please see me.

Regards
Nicole Shirreff
Premier's Reading Challenge Co-ordinator

No dogs are permitted in school grounds

A reminder to all families that schools are a 'no go zone' for dogs. We ask all parents to cooperate with this safety requirement. We would also appreciate it if you are using the drop off or pick up times as an opportunity to walk your dog that you supervise it at all times. Earlier this week one of the students was bitten by an unsupervised dog tied to the Somerville road fence.

Nightmare Escape

The shadow crept in,
As sleep took me away,
Bursting out a cloud of dark thoughts,
With no escape,
Lightning,
Thunder,
Bolting down,
Fear surrounding nearly every corner,
There's light at the end of the tunnel,
Crawling through,
A shatter of sunlight,
Over the horizon,
A golden liquid spilt in the sky the brightest,
Boldest,
Blue,
With no clouds,
It was a wonderful sight,
You couldn't take your eyes off it,
You couldn't even blink.

NEW Test Lab at Scienceworks

Do you have a 10-15 year old who is an inventor, tinkerer or fixer? Have they ever had the experience of pulling something apart to see how it works?

Throughout August and September, Scienceworks is running Weekend Maker Workshops and a Thursday Afternoon Makers Club specifically for 10-15 year olds, in their exciting pop-up maker space called Test Lab. You can book into Test Lab workshops by calling 13 11 02 or online at the Scienceworks website: museumvictoria.com.au/scienceworks

Thursday Afternoon Makers Club (4:30pm – 6pm;
Tickets: \$5):

Chain reaction - 18 August

Work together to build a crazy chain-reaction contraption (aka a Rube Goldberg machine), which uses everyday objects to make something strange and dynamic.

Paper Automaton – 25 August

Build a cardboard device which uses simple machinery to drive a funny moving scene. We'll give you the basic pieces, you decide what you want your automaton to do!

Weekend Maker Workshops at 2pm daily:

Lock Building – 13/14 August (tickets: \$22)

What's inside a lock and how do they work? In this workshop you'll find out by building your own working, heavy-duty padlock from scratch.

Prosthetic Limb Design Challenge – 20/21 August (tickets: \$11)

Work with the Engineers Without Borders team to make a prosthetic limb, using just your creativity, design skills and found objects.

Mechanical Mayhem – 27 August (tickets \$22)

Jesse and Dean from Cake Industries will show you how they build their mechanical sculptures, and help you create your own. Working as a team, the creations will be beautiful nonsense machines.

Biomechanical Machines of Tomorrow - 3/4

September (tickets \$11)

Artist and designer Stephen Mushin will help you scheme mischievous ecological designs that make boring people hide under their cars, invent solutions to problems so bad they make prime ministers cry, and draw extremely dangerous machines that could possibly work.

Bike Building – 10/11 September (note: 11am -2pm; tickets \$33)

Bikes are an amazing invention and with a little bit of know-how, you can build and fix them yourself! In this workshop, the team from Good Cycles will teach you how to assemble and service a bike. Afterwards, all bikes will be donated to a refugee group.
