Principal's Message

Spring Fete

We are expecting a wonderful day tomorrow celebrating the Spring Fete. A prediction for fine weather, along with great food and coffee, entertainment, bargains galore and exciting rides should provide a great day for all.

Fetes always bring communities together from small country towns to large city affairs. Yes they are of course about raising funds, but importantly they also provide opportunity to build community, new relationships and renew old friendships.

Generations of Kingsville families, members of our immediate community, along with, many "out of towners" who just love fetes are expected to come along tomorrow.

Thankyou

After weeks of planning and with very little drama, our fete team has come up with the goods once again. I applaud them all in advance for their work. Thank you to Dale Schumann and family, Sheri Farrell and family along with, all their many helpers who have worked so very hard in preparation for the big day. Also, to all Kingsville families, staff, students and community members, your contributions towards our fete are very much appreciated.

Alert

Parent Payments Outstanding 2016

Please read and take action

I ask that all parents read this information carefully and, check to ensure they have taken action regarding this important area.

To refresh memories please also see December 18th, 2015 Newsletter – Principal's Message (available on the school website) alternatively, a copy can be

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3 All payments need to be made prior to 10:00am on the last day of term.

End of Term 4 All payments must be made 2 days prior to the end of term.

Cash Payments Correct money is requested, as change cannot always be provided.

School Council President Bruce Abernethy 0438 045 275 **School Uniform Primary School Wear** 9363 8458
OSHC Camp Australia 0401 054 261 **Program Manager** Asi Malu

obtained upon request. In addition to this information, in that same newsletter was an example of what the actual statement for each family would be for the -

- **required Essential Education Items for 2016** (\$397 for each child)

and also

- an example of what the request for **Voluntary Financial Contributions for 2016** would look like

The information was provided in advance in December 2015 to ensure parents were aware of what their individual statement for required Parent Payments would be in 2016.

Statements for outstanding payments were sent out on Friday October 7th. Thank you to the families who have already made this 'required payment'. There are however payments for 239 of our 639 students still outstanding.

Kingsville Primary School School Council requests that parents who have not yet paid for the **Essential Education Items** please do so by the end of October.

The school Business Manager, Sharyn Fletcher is able to discuss any matters relating to payments with parents as may be necessary.

Italian day **Attentione Tutti**

A wonderful Italian Day celebration was had by all at Kingsville yesterday.

The students were provided with a range of experiences which gave them insights into Italian life and culture. Multi aged groups participated in cooking, art, soccer, gondola and Italian waiter races. An Italian performance was a highlight of the day and the festivities culminated in a Carnivale mask and costume parade.

These special days always highlight the way our students interact and relate to each other, clearly demonstrating the PYP Learner Profile.

To Lisa Fedele and Frances Waugh, along with Sam Meddis and the Italian Day organising committee, we thank you for your hard work and planning which ensured an enjoyable and engaging day.

Kingsville Awards

To be presented on Friday 21st October

Foundation A	William Thomas
Foundation C	Gabriel Kocher
Foundation D	Vincent Ciolli
Foundation E	Tom Brocklesby

Australian Mathematics Competition

Results are now available for the 38th annual Australian Mathematics Competition. Hundreds of thousands of students in primary and secondary schools from around 30 countries sat the AMC on 28th July.

Students from Year 3 to Year 12 compete on the same day, making it possibly one of the largest single events on the Australian education calendar. An Australian initiative, the AMC was introduced in 1978 as the first competition of its kind in schools here. It is now a truly international competition, having become the major school mathematics enrichment event and benchmark for mathematical ability throughout the Pacific and South-East Asia. It tests everything from basic numeracy skills through to advanced problem solving.

This year Kingsville Primary entered 75 competitors, up from 32 in 2015. The students performed extremely well and as a result we had 12 students who obtained a Distinction, 27 achieved a Credit and 30 received a Proficiency Certificate. All students who competed will receive a Certificate of Participation.

The school would like to make special mention of our 12 students who received Distinctions: Sam Dynon, Rafid Haider, Sacha Horne, Callum Crowley, Oscar Marks, Lloyd Deunk, James Kalpenos, Harrison Louey, Sophie Parnham, Oliver Greensheilds, Alfie Band and Amelie Le Grand.

There is also a special certificate to the student who has achieved the school's highest standardised score. This year that certificate was awarded to Sam Dynon. Congratulations Sam!

I would like to also congratulate all the students who participated. You displayed a courageous attitude by having a go at a difficult competition and a growth mindset by acknowledging that problems require time to think critically and creatively.

Peter Ritchie, Assistant Principal/PYP co-ordinator

PYP Exhibition

The Primary Years Programme (PYP) exhibition is a requirement of all authorized PYP schools. It represents a significant event in the life of a PYP student, making sense of the essential elements, skills, knowledge, attitudes, concepts and action of the PYP and sharing them with the whole school community.

The exhibition provides the culminating experience of the student's engagement with the Primary Years Programme (PYP) and provides a forum for demonstrating the attributes of the Learner Profile to our community.

The staging of the exhibition next week is the culmination of this extended collaborative investigation and our students are looking forward to sharing their learning with both their parents and the wider school community. The transdisciplinary theme being explored is:

Who we are

An inquiry into the nature of the self; beliefs and values; personal, physical, mental, social and spiritual health; human relationships including families, friends, communities and cultures; rights and responsibilities; what it means to be human.

I encourage all parents, including those from other year levels, to take this opportunity to visit our exhibition and talk with our fantastic grade 6 students. To experience the exhibition, begin in the grade 5/6 building and then make your way to the hall. The exhibition is open on:

- Tuesday 18 October – 2:30pm →4.00pm
- Wednesday 19 October – 12.00 →1:30pm
- Wednesday 19 October – 6.00pm →7:30pm
- Thursday 20 October - 9:00am →10:30am

Peter Ritchie

Assistant Principal PYP Coordinator

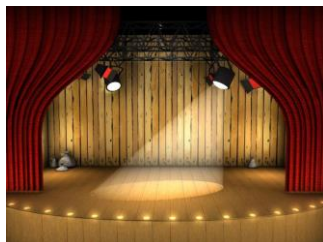

Regional Athletics Carnival

On Tuesday 11th October, 17 students travelled with Lorna Russell to Keilor Park to represent the Maribyrnong Region at the Regional Athletics Carnival.

Those 17 children were: Amelie Le Grand, Austin Baker, Mac Leith, Ava Leach, Carla Vallejos, Charlie Doucas, Essie Houghton, Evie Jaffray, Lily Hudson, Lulu Greer, Olivia Powell, Orla Grenfell-Fox, Poppy Rose, Roberto Salas-Miles, Sam Heinnen, Zachary Caldwell, and Takdanai McLeod-Smith.

I would like to thank Lorna Russell, all children, and parents for helping make this a successful day.

Lorey Bentley, PE and Sport Coordinator
