Term 4      Monday 3 October to Tuesday 20 December

# Principal's Message

The final Friday assembly of the term was certainly a celebration. The talented school choir entertained us and their final song Mamma Mia, certainly had the audience singing and 'moving' along. A fitting end to a challenging yet successful term.

As noted in my last Principal's message September 9<sup>th</sup>, we now look forward to term 4 with hopefully, increased levels of student attendance and decreased levels of illness throughout the whole school community.

Reflecting back upon the last newsletter of **term 3 2021**, this message featured –

***“whilst travel is not an option hopefully families will find time to get out and about as possible and enjoy some spring sunshine”***

Now 12 months later thankfully, a very different situation and I wish all KPS families a great term break regardless of whether travel is involved or not. I hope all students have an enjoyable term break and I along with all staff, look forward to welcoming you and your family back for term 4 beginning Monday 3<sup>rd</sup> October.

## **Foundation enrolments 2023**

We have this week received further sibling enrolments for Foundation 2023. It is now expected that all sibling enrolments have been lodged. Any families who have not yet completed this process, please make contact with the school Day 1 Term 4 (Oct 3<sup>rd</sup>).

## **Other information impacting on student numbers term 4 2022 and school year 2023**

This message has been communicated on a number of occasions during term 3.

***Families who are leaving Kingsville in Term 4 2022 or, Term 1 or later, in 2023 please inform the school of this as soon as your move is known.***

The notification slip included in this newsletter will be included in every newsletter during term 4 and should be used to convey this information.

# Year 3/4 Poetry Slam!

This term, the year 3/4 students have been inquiring into different styles of poetry. To celebrate our learning, we organised our own Poetry Slam! A poetry slam is a competitive art event in which poets (K.P.S students) perform spoken word poetry before a live audience. Poetry slams are often loud and lively, with audience participation, cheering and dramatic deliveries.

Each student submitted a poem and presented it to their class, with each class then selecting their favourite three poems.

On Thursday 15<sup>th</sup> September, all 3/4 classes came together on the deck and engaged in their own poetry slam. This was an amazing event filled with admiration and excitement, as each nominee presented their poem. It also gave students the opportunity to express their creativity celebrating the end of term on a cheerful note. Our finalists were:

Class	Class Nominees		
3/4S	<b>Eloise Richardson</b> 'The Power of Dragons'	<b>Eleanor Hook</b> 'Spring'	<b>Larnie Yeo</b> 'Winter'
3/4L	<b>Georgia Stanton</b> 'Candy Shop'	<b>Bastian Balbontin</b> 'Daddy Pig'	<b>Sonny Fithall</b> 'Teachers'
3/4A	<b>Millie Wheeler</b> 'Me'	<b>Baradu Abdu</b> 'Surfing on the Beach'	<b>Marsal Salim</b> 'Halloween Spook'

3/4C	<b>Atlas Hawkins</b> 'MVP'	<b>Sophie McColl</b> 'Sophie ABC'	<b>Astrid Fawcett</b> 'The Wolf's Story'

The winner was **Essie Jugovic** 3/4B

## **The Moonlight Shines.**

I look out the biggest window in my house  
The wind grows colder.

The moonlight shines and I am harmoniou  
The moonlight shines and I slump onto the  
No-one around, lights switched off.

Peaceful.

The moonlight shines,

My eyes clench as I fall to sleep.

The nocturnal animal's time has emerged.

The moonlight shines & the city is quiet, no cars travelling, stars

The moonlight shines and I drift off to my wonderland.

The audible sounds of the trees dancing in the wind fills my ears

The moonlight shines and I feel at ease.

## Grade 6 Exhibition Update

This week for the Year 6 Exhibition, we started to make a plan to take action as a part of the inquiry process. Over the course of the week, we have come up with ideas on how to successfully achieve our goals, whether it's relevant to ourselves or the wider community. As a part of the action stage, we have talked to some Exhibition experts and received excellent advice on how to take relevant and meaningful action.

Here is what some of the year 6 students have to say about the action stage of the inquiry process so far:

"We are confident about our plan for taking action and we are excited to follow through with it." - Emily T and Chloe S, 6LA

"I think it's an important part of the inquiry process because you actually do something about what you've found out and not just researching facts." Lily R, 6CM

"I think the action part of the Exhibition is difficult but the most important part because you're taking what you have learnt and taking it a step further and putting it into your own life." – Isla B, 6CM

"I think it's exciting. I think we are going to be doing stuff that's fun. I think it's going to be interesting to share my knowledge with others." – Abel, 6CB

"It was quite hard for me, but it's really important and it will be really fun once I finish it." William F, 6EH  
Written by Hazel Nguyen and Amy Marhsall-Inns, 6LA
