### **General Guidelines for Parents when making any Payments to the school:**

Preferred method of payment is BPay. Your BPay reference number can be located on your family statement and will remain the same throughout your child's time at KPS. EFT/credit card facilities are available over the counter at the main office. Cash payments – correct money is required as there is not always access to change. Please do not send large amounts of cash with your child. Receipts will be issued through your child's classroom. To help the office in finalising accounts, where possible, please limit payments in the last week of any school term.

School Newsletter extract

Early in 1924 Winnie Park and Harold Hocking were selected as 'Prefects'. They were given a silver badge by Mr Gainey in token of their responsibilities and have carried out their work capably and well. Under the capable direction of Earnest Bishop, Eileen Wilson and later Florrie Nash, our form has raised

£18/2/2½¢ towards the Junior Red Cross.

Winnie Carey E2

Well done Winnie Carey – student leadership and 'student action' in the form of fundraising for causes such as the Junior Red Cross were obviously well and truly in place in the 1920's at KPS. Our school was then known as the 'Kingsville Central School'.

Whilst we don't use the word prefects anymore we have student leaders across the school carrying out a range of responsibilities every day. In addition to the leaders who have been elected into a particular role being - School Captains, Vice Captains and House Captains, there are many other student leaders carrying out their responsibilities across a range of areas every day.

**Elected school leaders**

**School Captains**

Heidi Junge  
Rafid Haider

**School vice-captains**

Harriet Gould  
Kip Arthur

**House Captains and Vice Captains**

Congratulations to our newly elected House Captains and Vice Captains.

**Yellow House – Bishop**

Captains: Charlotte D'arcy & Nate Lucas  
Vice Captains: Kaitlyn Le & Alex Elg

**Green House – Cruikshank**

Captains: Giselle Bugeja & Albie Browning  
Vice Captains: Mila Gleeson & Daniel Weldon

**Red House – Julian**

## Principal's Message

Thank you to all students and staff who coped with the very hot weather today and also the lack of electricity for a short period in the afternoon. Without lights, air-conditioning or computers everyone kept working as usual without any fuss.

Well done also and a huge thank you to our team of Hot March Night volunteers who worked under extreme conditions to ensure everything was ready for a 'very, very' Hot March Night. It is predicted that there will be around 700 attending the event and whilst the heat may keep some at home we expect it to be a huge success as it has been for many years prior.

# Melbourne Water and John Holland Mains Water Project

Please see further information to support Kingsville families as the work being undertaken by John Holland and Melbourne Water impact upon daily life at Kingsville.

1. concrete barriers will be set up on Somerville Road on **Saturday 2<sup>nd</sup> March**. They will be erected between Julian Street and Adaleigh Street (please see map below). Access will still be provided to Bishop Street via a left hand turn in and a left hand turn out **only**.
2. due to concrete barriers being erected on Somerville Road, and following a meeting with Council yesterday, from **Monday 4<sup>th</sup> March 2019**, a temporary pedestrian crossing will be set up and operated by John Holland's Traffic controllers in lieu of the existing school crossing directly in front of Kingsville Primary School. **The signalled crossing will be turned off on Saturday 2<sup>nd</sup> March**. The temporary crossing will be located adjacent to Bishop Street (please see below) and when works reach Bishop Street, the temporary crossing will then be relocated behind the construction zone at Julian Street. It should be noted that the temporary crossing is a pedestrian crossing and not a school crossing and as such no school crossing supervisors will be present until the permanent crossing is reinstated and fully operational. The temporary crossings will be all set up and operated by John Holland Traffic controllers. **Please also** note that Melbourne Water and John Holland will heavily resource the area with traffic controllers in both Bishop Street and Julian Street for the duration while work takes place in front of the school. It is estimated the changes will be in place for approximately 2.5 weeks.
3. Pedestrian entrance to front of school on Somerville Road will remain open, as will Bishop Street entrance.
4. The Julian Street Pedestrian entrance to the school will be reopened early next week, hopefully by Tuesday morning.
