A message from your Coordinator

Hello Kingsville Community,

A great start to the school year welcoming back familiar faces and getting to know our new foundation children. We are so proud of them all, especially the new children who have transitioned so well in the afternoon and settled into routines in the morning. Our current children have supported them, showing them around and engaging with them both inside and outside.

A reminder to all parents/carers that if you have a child with medical conditions the appropriate forms both online and within the service need to be completed as soon as possible and any medicines brought to service in "original" boxes with pharmacy labels. It is Camp Australia's policy that all action plans be updated on a yearly basis (at their due date). If assistance is needed, please do not hesitate to see us at the service.

Another important reminder is if you have a child booked in on any given day and decide to pick up your child instead it is extremely important that you go online and cancel that booking asap, or phone the service (0401 054 261) and leave a message or just come across to the service at 3:30 pm to tell us you are taking your child home. It makes accounting for every single child so much easier if we know where they are. Thank you for your assistance with this. We are looking forward to having a great year here at Kingsville OSHC with lots of great activities and fun.

Kind regards.

Arshdeep Kaur & Carmel Cooper
