Complaints and concerns process for students

Kingsville Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Kingsville Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with their classroom teacher, a member of the specialist teaching team or with a member of school leadership. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Complaints and concerns process for parents, carers and community members

Preparation for raising a concern or complaint

Kingsville Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Kingsville Primary School.

Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you.

Raising a concern

Kingsville Primary School is always happy to discuss with parents/carers and your child's classroom teacher. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or other member of the school leadership team

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Principal or Assistant Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Timelines:** Kingsville Primary School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Kingsville Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Kingsville Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

3. **Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
4. **Response:** Where possible, a resolution meeting will be arranged with the [Assistant Principal/Principal] to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Kingsville Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Kingsville Primary School may also ask you to attend a meeting with an independent third party or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, you may contact the department by phone on [1800 338 663](tel:1800338663), via the [Enquiries form](#) or by Email at: enquiries@education.vic.gov.au

Kingsville Primary School may also refer a complaint to South Western Regional Office if we believe that we have done all we can to address the complaint.
