

Kingsville Primary School

Volunteer Induction

Kingsville Primary School values the many volunteers that assist in our classrooms, with sports events, excursions, school concerts, and other events and programs.

As part of our commitment to meeting our legal obligations under the Worker Screening Act and the Child Safe Standards, and in working to ensure the safety of all children and students at Kingsville Primary School, all volunteers are required to participate in an annual induction.

This involves:

- Child Safety Volunteer training
- OH&S induction
- sharing with the school your current Working with Children Clearance (previously known as Working with Children Check)

This form contains all the required induction documents, and follow up questions to check for understanding. Once you've completed the form, a staff member will be in touch with you to confirm your ability to volunteer at KPS in 2024.

If you have any questions please email or contact the school.
