Principal's Message

"A moment in time" this morning when parents / carers were welcomed back onsite as the audience for the 2022 Easter Hat parade. The end of term 2021 had parents looking in through the bars on the fence and not able to engage or celebrate this traditional event. A very different story today with families able to wave and cheer on students as they paraded around in paired class groups.

How wonderful to see the Year 6 students and their Foundation buddies hop, skip and move around together. The millenary creations were amazing – fun, colourful, creative and proudly worn by a very high percentage of students. I hope these 'works of art' are kept for a long time to come and they would certainly make great table centrepieces over the holiday period. Well done to everyone and thank you to KPS families for their combined artistic and engineering efforts which resulted in spectacular head wear.

Thank you also Kingsville families for contributing and being part of the Easter raffle fundraising event. The winners were announced earlier today and, the students from the lucky families were acknowledged at the end of the Easter Hat parade.

I hope all students have an enjoyable term break and I along with all staff look forward to welcoming you and your family back for term 2 beginning Tuesday April 26th.

Ride2School Day

What a fantastic buzz there was in the air on Friday 25th March. So many students arriving to school on bikes, roller skates/blades, scooters and on foot. Lucky we had 2 representatives from the Bicycle Network and many staff on hand at the gates to help out and hand out stickers to all the students and some very lucky little siblings and parents/carers.

88% of Kingsville students along with their families chose a healthy start to their day on Friday 25th March. 6 classes had 100% of their class arrive to school by foot or wheels. (Thanks to 3/4A for collecting this data as part of their maths learning for the day.)

We would like to thank all the students for their enthusiasm and all KPS families for their patience and understanding at the end of the day when exiting the school. Thanks also to the staff who helped out at the beginning and end of the day. We love seeing the KPS community working together.

We will definitely be continuing to encourage all students and families to leave the car at home and have a healthy start to the school day throughout next term as we launch 'Walk or Wheel Wednesday'.

Stay tuned for more information about this in the first newsletter next term. Until then...keep walking and wheeling to school.

Choir news

After weeks of speeches, COVID disruptions and various absences we finally have our **new choir captains for 2022!**

Congratulations to Maya Hawke and Olivia Despott who have taken on the role together.

They will be supported by Elizabeth McColl as deputy choir captain. All three girls delivered fantastic speeches and will be wonderful assets to the music program at KPS this year.

At Kingsville students in grades 5 and 6 (big kids choir) express student voice through selecting the songs for the choir to learn and performing solos. Senior students

also help by bringing the foundation students to choir practice and helping the younger students stay focused.

The choir captains run the warm ups, organise groups to lead the national anthem at assembly on Monday mornings and speak to the community on behalf of the choir.

In term one the choir was exclusively for students in grades 1 – 6, but in term two and beyond we welcome the **Foundation students** to join us on Tuesday at lunchtime to sing some old favourites and learn new repertoire.

We look forward to welcoming new voices to choir in term two!

Regards

Susan Phillips and Hilary Henderson.
