Principal's Message

Congratulations to the Year 6 students and staff who participated in the interstate trip to Canberra this week.

Whilst the trip was shortened by one day with the return of all "adventurers" at around 10pm last night, it was certainly a primary school experience which I hope all will remember for many years to come. To our wonderful students you took all of the challenges in your stride and, your resilience shone through as you stepped up and adapted in a positive manner. I along with all staff, are very proud of you and I would expect I can say the same of your families.

To our students who tested positive for Covid well done you demonstrated strength, courage and looked out for each other in a true Kingsville manner. I know that you were cared for and supported not only by the staff but also your fellow students.

To Kingsville staff who participated in the Canberra trip and, to my leadership and administrative team back here at 'base' a huge well done. You all worked above and beyond expectation yesterday in planning and ensuring communications throughout the day were instigated. This resulted in timely and strategic engagement with parents / carers, staff, camp providers and a range of authorities.

Throughout the day Sam Eason and I worked with Department of Education Emergency Services. This proceeded from the initial actions and decision making required in the morning until just before midnight when I received a final message from DET stating all expectations and compliances had been met.

To the team of 9 staff who accompanied the students to and from Canberra, you came together under the expert leadership of Blagma Veljanoska and, rose to the challenges of ensuring all students were kept safe, calm and were well cared for. There have been many messages expressing gratitude coming from parents / carers today and these are very much appreciated by staff and myself.

To parents / carers who read and responded to the many updates during the day and, came along to collect their "precious cargo" very late on a cold night (**A plus**) from a grateful Principal.

I would like to wish all Year 6 students and their families impacted on by Covid a speedy recovery. Again, well done everyone and we will certainly celebrate the many positive aspects of the trip in the near future.

Book Week

Kingsville Primary School will celebrate Book Week from August 22nd to 26th. Since 1945, the Children's Book Council of Australia (CBCA) has brought together children and books to celebrate Book Week and shine a light on Australian authors and illustrators. The Book Week theme "Dreaming With Eyes Open" acknowledges Australia's First Nations People and their rich story based culture. Darug woman Jasmine Seymour won the CBCA New Illustrator Award in 2020 for her beautiful picture book 'Baby Business' and Jasmine produced all of the poster artwork in Dreaming With Eyes Open too!

Click on the link <https://bit.ly/cbca2022> to watch as Jasmine introduces her new artwork and shares the story of why she created these images. All week the children will be completing a variety of activities in connection to the CBCA shortlisted books and the Children's Book Council award winning book. Winners will be announced on Friday, August 19th.

On Thursday 25th August the students are invited to come to school dressed as a character from their favourite book. If we have fine weather: The parade will be held outside so we can comply with current Department of Health recommendations. Parents and families are cordially invited to attend the parade. If weather does not permit: The parade will be split into a F-2 and 3-6 Parade in the Hall.

Westgate Track and Field Carnival

A frosty start to the day did not stop our children from competing at their very best at the Westgate Track and Field Carnival in Newport on Wednesday.

The children all enjoyed themselves, and it was great to see and hear the sportsmanship they displayed to children from all schools.

Full results from each event, and the Westgate Team, will be released from the organising school soon. It is important to note that this is the first time that this event has been able to go ahead at this level since 2019, and the first one held at Newport since 2017, so a big shout out needs to go to all teachers of the Westgate District, and the supporting teachers from each of the schools, many of whom were helping out for the first time.

I would also like to thank the parents for their support in this, and to all teachers and children from Kingsville for their participation and help with the event as well.

Well done Kingsville!
