Acting Principal's Message

Congratulations Year 6 Students

We are all immensely proud of every one of our terrific 68 year 6 students who over many weeks have undertaken an in depth collaborative inquiry incorporating the essential elements of the PYP. The culmination of this process, the exhibition itself is a huge achievement and everyone who had the opportunity of visiting the exhibition space have been amazed not only by the visual presentations but more importantly by the knowledgeable and insightful discussions they had with the students.

The planning for this event began several months ago and has involved a huge commitment from everyone involved. I would like to congratulate the grade 6 teachers and mentors who have guided, encouraged and assisted the students through this process.

In particular I would like to acknowledge the outstanding leadership of Jeff McDonald; our PYP Coordinator who has been instrumental in ensuring the exhibition journey fulfils the expectations of the Internationale Baccalaureate Organisation. More importantly however, is the significant role he has played in empowering our students to be active participants in their investigations. Significantly, this year many students have already taken some action as a result of a change in their thinking.

Thank you also to the parents who have taken the time to not only visit the exhibition but also to support their children over these weeks - our students and teachers really appreciate your interest.

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3 All payments need to be made prior to 10:00am on the last day of term.

End of Term 4 All payments must be made 2 days prior to the end of term.

Cash Payments Correct money is requested, as change cannot always be provided.

Italian Day

Attentione Tutti

You might be mistaken for thinking you were in an exotic part of Italy last Tuesday when Kingsville students were provided with a range of experiences that gave them some insights into Italian cultural life. Multi aged groups participated in dancing, cooking, soccer and art activities with the day culminating in an engaging Italian performance.

These special days always highlight the way our students interact and relate to each other, clearly demonstrating the PYP Learner Profile.

Thank you to the many parent volunteers who worked alongside staff to ensure a successful day.

To Lisa and Sam, your meticulous planning made for a wonderful day very much enjoyed by the whole school community - we are so lucky to have such passionate, enthusiastic Italian teachers!

Student Free Day–Reminder

This has been in the dates to remember for some time, however to ensure all Kingsville families are aware – a reminder that students do not attend school next Monday 3rd November.

This student free day will allow the high level of collaboration required to further develop our Strategic Plan. The Strategic Plan is the school's statement to its community about what it stands for and intends to do, over the next four years, to improve student outcomes. It defines what the school values most and sets out the school's goals and targets, key strategies for improvement and its resourcing priorities. This plan is a result of a rigorous School Evaluation Process and Peer Review, both undertaken earlier in the year.

Staff will work collaboratively to focus on the key improvement strategies and the actions and resources required to ensure these strategies are implemented systematically.

Student Placement

At this time of the year many parents new to the school wonder about the policies and procedures we use to place students in new groups for the following year. Please note I will provide details about this process in next week's newsletter.

Bishop Street Pedestrian Crossing

As most parents would now be aware a pedestrian crossing has been installed at the bottom of Bishop Street before the turning circle. Please make sure to slow down and give way to pedestrians.

Where in the world are you reading?

Added to the collection this week:

- **Anton and Rory Lieberman** reading at Brunswick Heads, NSW
- **Indigo and Misha Thornton** reading in a tree in Kingsville

Happy Birthday

30th October to 5th November

Happy Birthday to Kiara Ciancio-Knauer, Charlotte D'Arcy, Samuel Land, Austin Baker, Ella McConnell,

Rory O'Shea, Griff Ward, James Ward and Jasmin Friedmann.

Kingsville Awards

To be presented on Friday 7th November

Prep A	Jayden Lee

5C	Elise Randall
6A	Hannah Watson
6C	Darcey Atherton

Parent Payment

A reminder to all parents who **have not yet paid their 2014 parent payment** (Materials & Requisites, Head Checks (both required payments) and Buildings & Grounds (voluntary payment) – this payment is **due now**. If you wish to use BPAY or EFTPOS to make this payment it must be completed by **30th November**. Following this date, only cash or cheque payments can be accepted. Thank you

The Exhibition of 2014

After eight weeks of intense, challenging and thought provoking work by our year 6 students the Exhibition was a huge success for all those involved. The Exhibition allowed the students to demonstrate what it means to be a PYP student. The idea is that the Exhibition draws on all the things students have learned, the attitudes and behaviours they have developed, as well as the skills students have developed throughout their journey in the PYP. The PYP Exhibition provides students with the opportunity to live out the mission statement of the IB.

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

The staging of the Exhibition was the culmination of an extended collaborative investigation around the transdisciplinary theme of "How we organise ourselves". The Exhibition of 2014 encompassed the sharing of the student's learning with both their parents and the wider school community and provided opportunities to respond to the key questions of; What do we want to learn? How best will we learn? How will we know what we have learned?

The success of the Exhibition is the result of committed students, the support and flexibility of the school staff, teaching and non-teaching and the assistance and time of parents. Significant to the success was the hard work by the year six teachers to provide rich and rewarding experiences for the group over the journey. It was evident that each child had followed a passionate inquiry that lead to new knowledge and understandings and relevant action.

"Awesome, amazing, knowledgeable, fantastic, I learnt heaps..." were just some of the words expressed by the children who visited the Exhibition during the three times it was open.

A number of the school community and outside visitors commented on their visit...

"Fantastic to listen to the children articulate their journey from the original brainstorm to the final product. Very powerful learning!"

"Most impressive students with intelligent, in-depth understandings and lots of hard work evident."

"Blown away, simply brilliant! The breadth and depth of knowledge of the learning, the actions students have been taking and their ability to communicate their understandings."

The Exhibition is an experience for the whole school community to understand why we value the Primary Years Programme of the International Baccalaureate. I encourage all Kingsville parents and friends to take the opportunity in the future to visit an Exhibition and talk with our fantastic grade 6 students as we continue to include this significant event in our school calendar.

Jeff McDonald
PYP Coordinator

School website

Check out the Kingsville website for photos of the Spring Fete and other recent events. There is also a new feature "Spotlight on Curriculum" which showcases the work of one year level per term. Term four is grade 5 and 6.

Fundraising News

**School Disco
Friday 14th November**

It's on again! The much anticipated school disco will be held on Friday 14th November. The disco will be divided into two sessions with Prep to Grade 2 from 6p.m to 7.15p.m and Grades 3 to 6 from 7.30p.m to 8.45p.m. Many thanks to Aaron D'Arcy (dad of Milly), who returns once again as our fabulous DJ.

To make drop off and collection easier, children will enter the Hall via the Bishop Street doors and will exit via the glass doors leading onto the deck. Please note that the only access to the school is through the Bishop Street gate near the BER building.

The cost for the evening is \$6 which includes disco entry, a drink and a glowstick. Water will also be available throughout the event. The fundraising "bouncers" will be on hand to ensure that everyone has a fun evening.

Forms must be returned by Tuesday 11th November. Pop the flyer on the fridge at home as a reminder.

If you can help for this event – even if only for an hour – please contact Vita Budlender on bbudlender@gmail.com. Any help is appreciated.

Community Noticeboard

OSHC NEWS

There are lots of exciting sports on offer at OSHC this week this week we have the Active After School Sports team with Netball and Soccer

For those of a playful nature there's time to climb and swing on the mon in the playgrounds.

For our arty/crafty students we are focusing on a Halloween theme this week. There'll be witches, pumpkins bats etc.

For those who like to feel the dirt, we have CLAY. We also offer construction – lego etc, Colouring in and drawing.

We are also offering special homework time in the library.

Through the Camp Australia Charity arm we have made Christmas Decorations to sell, in aid of the Smith Family Charity. These are still available for sale!!!

REMINDERS

How to get started before using our programs you must register online for an account. Registering is quick and easy. Visit our website to begin www.campastralia.com.au

Once registered you can make bookings and cancellations, view your statements and manage your details anytime of the day online. Keep in mind we are able to take bookings at short notice to help busy families.

Save on Care You can save 50% or more on Before and After School Care fees with the **non-means tested** Child Care Rebate. Almost all families are eligible. To find out more call our Customer Service Team on 1300 105 343 Monday to Friday.

Dates to Remember; The Smith Family (Fundraising event). Tuesday. We are continuing this in October.
Your support provides emotional, practical, and financial support to help disadvantaged Children with their education.
